

# CLA Literature Order Form

## Ordering Guidelines

All orders must be accompanied by check or money order drawn on a US bank only, payable to CLA WSO.

Orders submitted with incorrect payment may be delayed or returned. Incorrectly tabulated orders or other insufficient remittance will result in quantity adjustments of materials shipped. Incorrect shipping address/zip code will result in additional shipping/handling charges. Shipped order discrepancies must be reported within 30 days of receipt of order. All sales are final, items may be discontinued, and prices are subject to change without notice.

If order form is more than six months old, request a new one by contacting us using one of the methods below. Complete section total boxes; then add section totals from page 1 to arrive at page total; add page 1 total to page 2 section totals to arrive at the grand total. Be sure to check your math. Please send this entire form with payment. Keep a copy of completed order form and payment for your record; a new form will be sent with your order.

For shipping and handling charges to any addresses outside the United States, please contact CLA WSO.
