

The Graphic Representations Subcommittee (GRS), a subcommittee of the Literature Committee, has some exciting news: We're having a contest! Calling all artists and no artists! We invite you to submit your original photos, pictures, drawings, sketches, and paintings for a visual definition of the word *CLUTTER*. To participate, simply send your submissions to the Literature Committee e-mail address, which is litcomm@clutterersanonymous.org. Three (3) winners will be selected by ballot during the 2024 CLA Convention in Illinois. The prize will be a choice between a physical CLA book and an electronic subscription to the *CLArity* newsletter. Submissions will be closed on Saturday, July 13th, 2024 at 6PM EDT. Please note that by submitting your original work, you allow Clutterers Anonymous World Service Organization, Inc. to use it indefinitely in digital and/or printed materials without compensation. Your submission will be considered a volunteer service to CLA WSO. Thank you!
