2012	2012-04-28	2012-02	1. Move that Clutterers Anonymous address the matter of activity sessions. 2. Move that the Tradition's Committee review all the Traditions to identify and determine if Clutterers Anonymous has an obligation and/or responsibility to show our members a concrete alternative to cluttering or to deal with the clutter recovery of its members and why and how? 3. If motion 2 is passed by the Fellowship, "Move that before the Fellowship adopts a tool, we need to identify a single name for the tool and to develop a definition and purpose statement for it." 4. If motion 2 and 3 are passed by the Fellowship, "Move that the Traditions Committee writes and establish guidelines for this tool so that it is representative of a 12-Step, 12-Tradition Fellowship and CLA purpose and that the guidelines can be used by all members." 5. Move that Tradition's Committee take a 4th Step Inventory or assess if the public announcements that describes the various activity sessions (for a period of time) reflecting a practice of promotion rather than attraction to activity sessions within the Fellowship.	Jane M.			N		
2012	2012-04-08	2012-02	Move that Clutterers Anonymous adopt the following policy: CLA will abide and honor the long standing custom of all 12-Step Fellowships reserving the word "marathon" in relationship to "recovery meetings" during convention and over the holidays and CLA will refrain using the word with "marathon" with decluttering events, activity sessions, and, etc.	Jane M.				?	
2012	2012-04-08	2012-03	Move that Clutterers Anonymous adopt the following policy: The combining of any "activity sessions" with recovery meetings (phone or face-to-face) into a single list, is inconsistent with the definition of a 12-Step, 12-Tradition recovery meeting, and CLA will refrain from such practices anywhere (website, downloads, meeting list, list, call in numbers, CLA Meeting Directory, and all other media).	Jane M.				?	
2012	2012-04-08	2012-04	Move that Clutterers Anonymous create an ad hoc committee called the Traditions Committee to investigate and report on any issues and concerns regarding the "activity sessions" practices and any and all possible traditions violations. The committee will investigate current and past practices, including the use of public announcements describing the activity sessions and possible violations of Tradition 11 and/or other Traditions and report any recommendations to the membership.	Jane M.				?	
2012	2012-07-09	2012-06	Move that Clutterers Anonymous adopt the following policy: CLA will abide and honor the long standing custom of other 12-Step Fellowships reserving the word "marathon" in relationship to holding "recovery meetings" and CLA will refrain using the word with "marathon" with decluttering events, activity sessions, and etc. Clutterers Anonymous must align itself with the customary practice of all other 12-Step Fellowships. Even though this word is used in variety of venues outside the recovery programs, it has a specific meaning, understanding attached to it and recognizable in many of the 12-Step community worldwide. Below is a typical example of a how other 12-Step Fellowship portrays marathon meetings. The form is an actual representation of A.A. Marathon Meeting flyer. CLA needs to reserve the use of the term "marathon" strictly with recovery meeting. Our Fellowship can find other terminology to depict events or occasions specific use by CLA. 		2016-03	<p>That the following Article 3 of the By-Laws be ratified by CLA WSO:</p> <p>Article III—Purpose Section 1. Primary Purpose The primary purpose of this organization is to aid those who have a desire to stop cluttering. The general purpose of this organization is to coordinate efforts to carry the message of recovery to those whose lives are affected by clutter, by practicing the Twelve Steps and Twelve Traditions of Clutterers Anonymous, as adapted with permission of Alcoholics Anonymous.</p> <p>Section 2. Aim & Objectives Clutterers Anonymous is a fellowship of men and women who share their experience, strength and hope with each other, that they may solve their common problem with clutter and help each other to recover. We achieve this as individuals, groups and a fellowship by practicing our 12 Steps of Recovery and by being guided by our 12 Traditions. Each of them embodies a set of principles for living life effectively, inside and outside CLA. The only requirement for membership is a desire to stop cluttering. There are no dues or fees for membership; we are self-supporting through our own contributions, neither soliciting nor accepting outside donations. Our fellowship is based on suggestion, interchange of experience, rotation of leadership, and service. Clutterers Anonymous is not affiliated with any public or private organization, political movement, ideology, or religious doctrine; we take no position on outside issues. Our primary purpose is to stop cluttering one day at a time, and to carry this message of recovery to clutterers who still suffer. (Copyright © A.A. Grapevine, Inc.
